Benconsfield Better. LONDON, April 1.-This morning Resconfield's condition is consider-

ably improved. Fears of an Irish Insurrection. NEW YORK, March 30 .- The Herald's London special says: It has transpired that the sudden calling together of the British Cabinet vesterday afternoon was caused by the receipt of intelligence from Ireland of a most disquieting character. Although the attitude of the people appeared to be quiet on the surface, Mr. Forster stated that according to information in possession of the Irish Government the tranquility of the people had increased, and the authorities regard it as the lull before the
